HARRY McCABE, Greencastle, Ind., has served the breed long and well. For 48 years he has raised the kind of Polled Shorthorns that have made friends for the breed and repeat customers for Tara Hill Farm. During the tough days of the 20's and 30's, he helped hold things together by serving as the secretary and sale manager of the Indiana Shorthorn Ass'n. When the national Polled Congress was at nearby Indianapolis in 1959, he decided to test national competition. He took four head and won four firsts. A top farm operator, the quality of the man and the cattle have attracted many to Polled Shorthorns. No breed has enough men like Harry McCabe.

Each year the Indiana Polled Shorthorn Ass'n honor one of its members for outstanding contribution to the breed. This year Harry McCabe has been selected for this honor. At the top of this page is what The Shorthorn World said when he was selected as a Builder of the Breed in 1965. To this we would like to add simply this. "It has been a great pleasure to know and work with Harry McCabe through the years. Very humbly we say to you Harry 'Thanks for a job well done'."

RICHWOOD BOY WONDER x—Here we proudly present the first grandson of Waseka Prince Charles. His sire sold in last year's Blue Ribbon sale to Russell Johnson, Noblesville, Ind. and in the footnote for him last year we said we had a lot of confidence in him. "Boy Wonder" certainly substantiates that confidence.

Indiana is noted for its outstanding herds of Polled Shorthorn cattle. These females at Lynnwood Farm, Carmel, Ind., are typical of the many great females in herds throughout the state. Included in this group is the 1958 International grand champion female, Lynnwood Nonpareil B 9 x. Lynnwood consigns three heifers to this sale.

Glatwyn Regime x, the 1965 International grand champion bull and undefeated at at three major state fairs. The first opportunity to buy his valuable service is through Glatwyn Duchess x, Lot 14, below.

There are more good cattle selling in this sale than in any Polled Shorthorn sale this fall. A great majority of them have show records. The bulls are the kind that will head any herd. The females are sired by and bred to some of the greatest bulls the breed has ever known. If you are interested in improving your herd don't miss this sale.

Clipper King of Bapton x. One of the biggest Polled Shorthorn bulls in the history of the breed. He has made a great record at Fernwood Farm, Barrington, Ill.; KC Farms, Kansas City, Mo., and Royalty Farms, Whitesville, Ky. A son is doing a great job at Lewisfield, Charlottesville, Va. Clipper King of Bapton x is the grandsire of Lot 54, below.
